with PartyLite® Warmers & Scent Plus™ Melts

Scent Plus Melts feature our most highly scented wax formula!

ScentGlow Warmer – LampScents

1. Your Warmer

Choose a warmer. Electric ScentGlow™ Warmers provide fragrance without the flame while Fragrance Warmers use a tealight. Both come in an array of decorator styles – there's one for every room in the house.

2. Your Scent

Choose a scent or two or three. Scent Plus Melts are available in dozens of exclusive PartyLite fragrances. Enjoy hours of rich home fragrance from our most highly scented wax formula.

3. Your Way

Invent your scent. Customize by pairing two different Scent Plus Melts. Or try one of our fragrance mixing recipes, tested by the best noses in the business!
